Hindbro Pvt. Ltd.

HINDBRO

About Hindbro:

Hindbro Pvt. Ltd is a premier brand water storage tank manufacturing & supplying company fully dedicated to the elite customers who are concerned about **Health, Hygiene, and Value for money**. The company is managed by highly experienced and qualified professionals to ensure comprehensive featured quality products & services as well.

At present we have strong presence in northern part of India and countrywide expansion plan is under process.

Vision:

Sustained leadership in Quality products & customer delight.

Mission:

To win customer trust & ensure long term customer relationship.

Commitment:

All time defect free supply

Quality & Reliability Policy:

Hindbro Pvt Ltd ensures customer delight by Anticipating & Exceeding the expectations of customer through

- Implementing QMS in true sense in process.
- Using correct material.
- Setting correct parameters and monitoring on regular basis.
- Updating & sharing latest related information/technology.
- Prompt customer response.
- Continual improvement.
- Periodic training & motivation programs.
- Committed team work.

Business Ethics:

- We ensure what we assure
- We prove what we promise
- We sell trust & make relationship
- Our attitude is gratitude

Hindbro Benefits:

- Ribbed dome shape provides more strength & easy installation even in less space.
- Multilayer feature provides insulation to restrict water get heated from sun light.
- **FOOD GRADE** material keeps water healthy & drinkable for a long time.
- Heavy duty.
- Best Quality raw material.
- Process oriented quality assured product.
- Right quality of HDPE raw material assures.
  a. Durability (long lasting).
  b. Damage resistance.
  c. Resistance against deformation under sun heat at extreme weather condition as well as over age.
  d. **UV Safe-**Resistance against ultra violet sun rays.
  e. Resistance against colour fading even in extreme weather condition.

Sizes Available:

- 500 Lt.
- 750 Lt.
- 1000 Lt.
- 2000 Lt.

HINDBRO WATER TANK

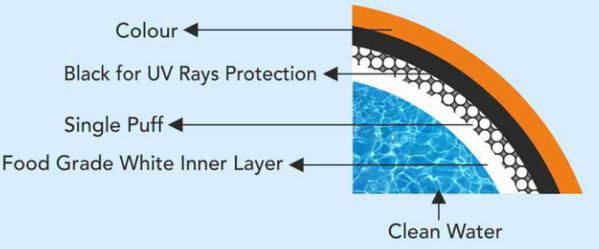

Hindbro's Unique Puff Insulated Technology to Prevent Water Heating

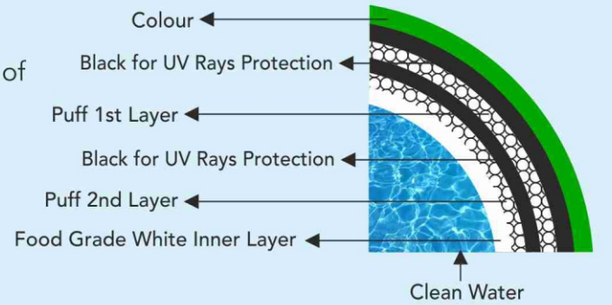

Single Puff

- Insulation of Single Puff Layer reduce the heating of water up to 5 Degree of Temperature.
- Total 4 Layers

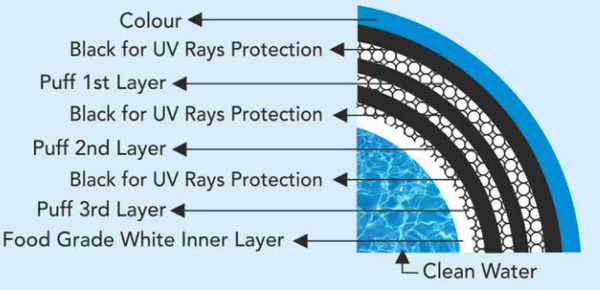

Double Puff

- Insulation of Double Puff Layers reduce the heating of water up to 10 Degree of Temperature.
- Total 6 Layers

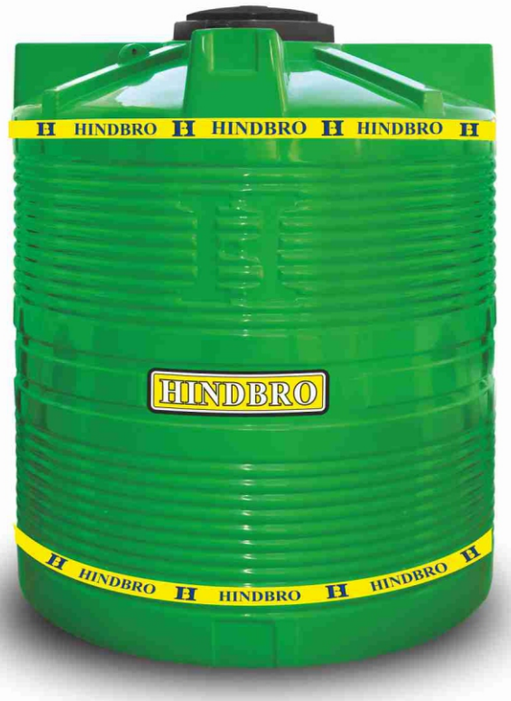

Triple Puff

- Insulation of Triple Puff Layers reduce the heating of water up to 20 Degree of Temperature.
- Total 8 Layers

Capacity Available : 500 L to 10,000 L

HINDBRO SPECIAL BLACK TANK

SPECIFICATIONS

- Only Hindbro Black Tank gives you more durability and sustainability with 100% Guaranty and warranty.
- Only Black color is more durable than other colors.
- Inner Layer is 100% Food Grade with White Color for neat and clean water.
- Anti-Bacterial Fungus Proof Material.
- Extra ribbed design gives the tank stronger and attractive.
- No maintenance / Leak Proof / Rust Proof.
- Pure Virgin Food Grade (LLDPE + HDPE) Plastic Material.

HINDBRO

PIPES & WATER TANKS

Benefits

- India's Best In Multi Layer Tank Made From Extrusion Robo Technology
- 100% Natural Hygienic Food Grade Inner Layer
- Extra Strength Multi Layer With Special Polymer & Ultra Barrier
- Anti Microbial & Hygienic Which Stops The Growth Of Bacteria, Fungi, Algae
- Ultra Strong And Durable
- 100% Satisfaction Guarantee
- Threaded Lid
- Revolutionary Design
- High Chemical Resistance
- UV Stable-Carbon Black As Per ISI Standard

Comparison Chart

Manufacturing Process	Raw Material	Wall Thickness	Strength	Layers	Internal Structure	Weight
Robotech	HDPE + LLDPE + UV + Anti-Oxidant	Equal	Super Strong	Multi Layers Added Simultaneously	Semicrystalline - Molecular Chain are aligned	Light Weight
Local Moulding	Recycling	Unequal	Fragile	Layers Are Added Separately	Amorphous - Molecular Chain are nonaligned	Bulky
